Alternatives to Suicide is an innovative peer led suicide prevention program from the Western Massachusetts Recovery Learning Community (USA). We are so pleased to bring Sera Davidow and Caroline Mazel-Carlton to Sydney to share with us how this approach evolved and why it has been so successful.

We acknowledge the generous support of **MercyCare WA** in bringing Alternatives to Suicide Peer Support training to Australia.

We'd also like to thank **Flick Grey** and the volunteer team at **Alternatives Melbourne** for letting us know about the Alternatives to Suicide approach.
