# CPS

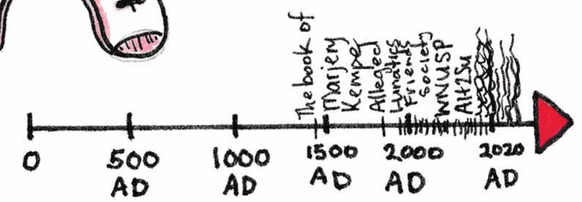

supervisors can UNDERSTAND and provide GUIDANCE and EXPLORE with the supervisee:

## Consumer Perspective

- End involuntary treatment
- Full implementation of the C.R.P.D.
- Knowledge of the consumer movement's principal concerns (that's a longlist)

- Consumer Literature
  - THE MadQuarry DICTIONARY
  - On our own. Patient controlled alternatives to the Mental Health System. 1978. — JUDI CHAMBERLIN
- The history of the consumer movement

- The way we work and why
  - Nothing about us without us
  - Recovery
  - Mutuality
  - Self-determination
- The kinds of issues that we experience in our roles
  - Unsafety
  - Discrimination
  - Peer drift
  - Lack of access to independent CPS
  - Isolation
  - Poor understanding or appreciation of consumer perspective
- The socio-political context in which we work
  - Rights abuses
  - Intersectionality
  - Poverty
  - Discrimination
  - Misgendering
  - Mentalism
  - Hierarchies of power and oppression
- Different approaches to consumer work practice
  - Intentional Peer Support
  - Consumer Driven
  - Self Help Groups
  - Hearing Voices Network
  - Alt2Su
