To **RESPECTFULLY CHALLENGE** in Consumer Perspective Supervision it is valued to relate in ways that:

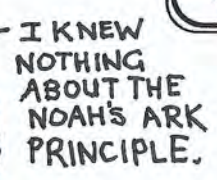

- Use the knowledge and perspectives of **BOTH** Supervisor and Supervisee.
- Gently alert someone to **IMPORTANT ISSUES** in a **RESPECTFUL WAY.**

- Support the person to 

in themselves and 

- **CHALLENGE EACH OTHER'S** thinking with **ROOM** for **ALTERNATIVE VIEWS** rather than **CLOSED OPINIONS.**

- Address **LEARNING AIMS** 

and **HOW** to move **FORWARD ▶▶** on them.

- Provide **NEW QUESTIONS** leading to **DIFFERENT** ways of thinking, new knowledge, perceptions and strategies.
- Identify **STRENGTHS** and **WEAKNESSES.**
